

Welcome Remarks

By

Jomo Kenyatta University of Agriculture and
Technology (JKUAT)

University Librarian, Dr. Roselyn Mangira

During the 5th Emerald Knowledge

Ambassadors Workshop held at JKUAT
Assembly Hall on the 20th September 2017

The Vice Chancellor, Professor Mabel Imbuga, the Emerald team, Deputy Vice Chancellor, JKUAT Senate members, KLISC Executive members, Knowledge Ambassadors, Distinguished guests, Ladies and Gentlemen, good morning.

Mine is to simply welcome you all to JKUAT.

Madam Vice Chancellor, this is the 5th Knowledge Ambassadors Workshop. Emerald Publishers has been co-sponsoring such workshop for the last four years with the hosting Institution since

2013. The first and second workshop were held at the;

1. Cooperative University College in **2013** and **2014**. Other universities that have also hosted the event are
2. Strathmore in **2015**
3. USIU in **2016**.

We are now privileged to host the fifth workshop which coincides with Emerald's **50** years anniversary celebration.

JKUAT hence wish to most sincerely thank Emerald team for choosing JKUAT and then to you Madam Vc for accepting to host this great event.

This workshop is expected to be the best ever because of the 50 yrs celebration (this time round we have a cake and entertaining team from youths from this community who have volunteered to give us entertainment.)

The workshop is meant to develop partnership among the emerald students Ambassadors from KLISC member Institutions as they showcase their talents, creativity based on this year theme.

The theme of this year's workshop is ethics in education. There will be awards for the following categories:

- Best User Institution Award
- Creative Ambassador Award
- Best Presentation Award

I once again welcome you all to today's workshop. I now invite the Deputy Vice Chancellor Academic Affairs to make a few remarks and welcome the Vice Chancellor to make a few remarks and to officially open the workshop.

Thank You
