

**Meet the winners of CBSS Research Grant for African Students in Space Science & Astronomy**

In October 2018, we announced the CBSS Research Grant for African Students in Space Science and Astronomy. The grant is designed to support bold and visionary African students and researchers who are undertaking a postgraduate program related to space science, technology and astronomy. The winners of the grant have been announced by the NASRDA Centre for Basic Space Science, they include: Idowu Temitope Ezekiel – a Ph.D student of Environmental Science, Jomo Kenyatta University of Agriculture and Technology, Kenya. <https://africanews.space/meet-the-winners-of-cbss-research-grant-for-african-students-in-space-science-astronomy/>
