How being part of Developer Student Club helped get a fulltime job at Andela as a software Engineer.
You can imagine the excitement that I had when I realized I had performed well and managed to secure a place in one of Kenya's elite Universities, Jomo Kenyatta University of Agriculture And Technology to pursue a Bachelors Degree in Mathematics and Computer Science. Going to campus I did not have any computer Science experience but I just thought that Computer Science was the way to go, being motivated by what Computers can do but with no idea of how they do it.
