

Students and Staff Sensitized on CABI Online Resources

JKUAT Library in conjunction with the Centre for Agriculture and Bioscience International (CABI) organized a training to sensitize postgraduate students and staff on how to reap the benefits that come with online resources that the CABI platform offers. The training held, June 4, 2019 targeted students and staff in the College of Agriculture Natural Resources (COANRE), College of Health Sciences (COHES) and the College of Pure and Applied Sciences (COPAS), who got an opportunity to interrogate the CABI platform in order to gauge its effectiveness ahead of its implementation. <http://www.jkuat.ac.ke/students-and-staff-sensitized-on-cabi-online-resources/>
